LOWERY WEDDINGS 2012

I photograph weddings in an unobtrusive style, allowing events to unfold at their own pace so your wedding is not a performance for the photographer. However I do not neglect to create formal portraits requested *by the bride* in a fast, fun, and efficient manner.

In the past I have photographed upwards of 30 weddings a year and offered many different packages. Since 2004, I am available for only four wedding dates a year, and I offer 2 options. An all inclusive package created by me for \$6,000 or a limited "formals only" package created by one of my talented skilled assistants for \$2,500.

WHAT DOES "ALL INCLUSIVE" MEAN? *Includes everything*

WHAT IS THE FORMALS ONLY PACKAGE?

The Formals Only Package is an option for those who don't need all of the above for whatever reason - economics, small wedding, 2nd marriage, courthouse wedding, etc. Coverage is limited to 2 hours photographing the wedding ceremony and formal portraits only. Your images will still be posted online and you will receive a DVD of print quality, hi-res TIFF files from which you may print. Robert Lowery is not available for Formals Only weddings, but your photographer will be a skilled professional assistant trained by Mr. Lowery.

Price for the Formals Only Package is \$2,500

FREQUENTLY ASKED QUESTIONS

How long have you been a photographer?

I have been photographing professionally since 1989. I am a winner of Kodak's Award For Professional Excellence for the state of Georgia. I have an extensive client list and references.

Why do you only shoot 4 weddings a year?

In the past I photographed upwards of 30 weddings. With the growth of the more profitable side of my business, I no longer have to photograph weddings. Now the four weddings I choose to photograph each year serve primarily as a fundraiser for the work we do with developmentally disabled artists at our gallery.

If you are artistically inclined and appreciate a more fun, spontaneous approach to not just your wedding day, but to life, I would love to create your images on your wedding day.

Do you have backup equipment?

I have full backup cameras, lenses, batteries, and memory cards. In addition, I bring an extra photographer to your wedding and he/she is shooting full time, so all moments are covered even in the event of illness or emergency.

Can we print from the disks you include?

Yes. I include a copyright release. You and your guests may also order prints online. The prints ordered online as well as the bridal and engagement portraits are printed here, at the studio, on a state-of-the-art giclee' archival pigment printer. The prints you order here are significantly better than old lab photos and are guaranteed to never fade.

Do I have to make a deposit?

Yes. \$2,000 non-refundable deposit reserves your wedding day. Balance is due in full 3 days before your wedding. You may pay the balance due the day of the wedding if you confirm with me in advance.
